## I. Организационный момент

**SLIDE 2** Good afternoon, children and dear guests! Today we have a game-lesson “Work and Play”. Let’s see who knows this theme better. Do you like work or play? Do you know many English words concerning this theme? Let me introduce our teams, the team “Super pupils” and the team “Angry birds”. The captain of “Super pupils” is Zubrilovskaya Elizabeth, and Konovalova Kristine is the captain of the other team. And Sibandzhanova Violetta together with Sercova Victoria are our judges.

### II “Introduction” – Вступление или фонетическая зарядка

**SLIDE 3** Dear captains, introduce yourself, please (names, age, what year do you in?), the members of your teams (only names). Now, please, stand up, and let me know your mottos, read them all together, please.

Super pupils	Angry birds
When there is a problem,	Not one step back,
And the world needs help	Not a minute being steady,
Here they come,	From the sling we step
And everybody’s safe!	Only all together ready!

Thank you very much, sit down. It’s time to begin our game.

### Contest 1. Vocabulary spot

**SLIDE 4** Firstly we must flip a nickel to find out which team will answer first all the game “Birds” or “Pupils” – it’s a long stick by the way.

Well, well, well. ... will begin all the tasks. Let’s start from the first contest which is named “Vocabulary spot”. I would like to know what do you remember about everyday activities. All the teammates except captains are given one sheet of paper and should write down as more activities as they can within 3 minutes. One activity – 2 points, grammar mistake – 1 point, more than one mistake – zero points.

During this time teams’ captains do the task concerning Present Simple tense. You must correct grammar mistakes in 8 sentences. One full correct sentence gives your team 2 points, if there is even one mistake you get no points.

The time has gone!!!

Stop! Players, take away the pens, give your answers to judges, they will count points, and what about captains, dear guests and judges, let’s listen to their answers, correct sentences are on the screen. Now you can see the truth.

### Contest 3. Lazy Sentences

**SLIDE 5** I suppose we should start the third contest “Lazy sentences.” It’s for all the team. You are given 3 minutes to change the order of words in these sentences, correspondently to Present Continuous tense. One full correct sentence gives you 2 points, if there is even one mistake you get no points.

Ready! Steady! Go!

Finish now! **SLIDE 6** The time has gone, take away your pens, and choose one teammate to announce your answers, correct sentences are on the screen. Respectable jury, fix them, please. Thank you very much.

#### Contest 4. Crocodile.

**SLIDE 7** And the last but not least task for you is to show us: what are you doing now? Choose one member of your team, the most artistic. He should mime the chosen from the table activity within 20 seconds. You should ask him this way – YOU ARE ... **SLIDE 8** If the first team guesses the activity within the time limit, they get 2 points, if not, another team gets a chance to guess the same activity for 1 point.

When all cards have been used, another team takes turn to continue the game.

Next, next!

**SLIDE 9** Thanks a lot... now give me and the jury several minutes to make a conclusion which team is the best, today? And the winner is....

Уважаемые коллеги, ребята, многоуважаемые судьи, наша игра подошла к концу, все до единого участники получают оценку «отлично», а победители – зарабатывают ещё одну. My congratulations to you!!! Goodbye!
