

# MY SPECIAL FRIEND

My best friend's Dasha. We go to the dance club, at least three times a week.

We love sport.

Dasha is very cooperative. She is good at listening. I think that a person that listens to other people is very generous. She is hard-working and loves to come up with something new.

We usually go for dance training after school. Then we have dinner at six o'clock and after dinner we do our homework. She likes painting pictures on the cells. Dasha often goes on the internet. But she doesn't like sitting and doing nothing. That makes her my very special friend.

One of my best friends is Yana Pinigina.

Yana is a very beautiful and sympathetic girl. She lives in Aramil, and she's 12 years old. I met her in a camp, and from the first day, we became friends.

Yana is strange. She is often funny, but sometimes she's sad. Really she can't hold a grudge for a long time. She is very friendly, and she has a good soul. Sometimes people think that she is silly.

She likes going on the internet, listening to music and jokes, but she doesn't like doing her homework and doing gymnastic. Yana and I have the same musical preferences. If she has difficulty, she will tell me about it. If I have problems, she will listen to them. That makes her my special friend.
