

TEENS IN RUSSIA

I'd like to tell you about students in Russia.

On school days they get up at 7:00- 7:10 o'clock.

Teens have toast and tea for breakfast.

They leave the house at 8:00- 8:10 and walk to school.

More students have school lunch.

Teenagers get home from school at about 3 o'clock, listening music, watching TV then do homework.

They are usually eating dinners with family at about 18:30-19:00 o'clock.

Teenagers have hobbies like football, dance, basketball, sing.

At weekends afternoons teens go to the cinema with friends and do homework.

TEENS IN RUSSIA

I'd like to tell you about teenagers in Russia.

Usually they have breakfast every morning.

Students in Russia as a rule go to school at seven or at eight o'clock

In school Russian pupils don't have a packed lunch. So they eat school breakfast and lunch at school canteen with great pleasure.

But there are some similar things at teens in Russia and UK.

All teens in Russia and UK loves pop or rock music and someone go to gig.

And there a lots of teens how can play on music instrument or form rock band.

Of course, there are some teens how loves sports or travelling.

Teens in Russia and UK are very friendly and have a lot's of friends.

At the weekend teens with friends go shopping in central of town and have lot's of pleasure.
